Village Meeting Guidelines

All Village residents are welcome and encouraged to participate. So that everyone gets a chance to talk, please sign in at the start of the meeting, and we will hear from each speaker in order of sign-in. Please note the following while participating at this meeting:

- Everyone is entitled to their opinion, so please show respect for your neighbors.
- As community volunteers and partners with the association, all staff members and volunteers must also be treated with respect.
- There are a number of part-time residents, and their opinions are just as valid as those of full-time residents.
- The efforts of the committee are for the overall good of the Village neighborhood, so some compromises will be necessary. For this meeting, it is preferred that the topics focus on issues and concerns specific to the Village neighborhood, rather than to Power Ranch as a whole.
- The primary goal is to identify the issues, then categorize them, prioritize them, and brainstorm acceptable, implementable solutions. This process will be on-going during the year, and summaries of the meetings will be communicated to all Village neighbors.
- Each round table will allow for 5 minutes per person to express concerns, in the interest of time, a timer will be set.
- There may be costs associated with any proposed solutions; major costs not in the current year's budget will have to be factored into the budget for 2022.
- Any solutions or recommendations generated will ultimately need approval from the Power Ranch Board of Directors.
